THE ATKINS IS BACK!

Do you remember the Atkins Chess Congress in Leicester? Well, its back - and its big!! Named after H E Atkins, one of the best players Leicestershire has ever had, the event ran for many years, in its' heyday entries were regularly over the 200 mark, that was in the 1970's early 80's. Some of you will remember the days of playing in the Grand Hotel, with coffee even then £1 a cup!

The revived "Atkins" as everyone used to call it, will be held on 15th - 17th September 2006 in The Great Hall of Wyggeston College (next door to Leicester University). There are four sections; U220; U141; U121 and U101 and a whopping £1800 is up for grabs in prize money as well as a British Championship Qualifying place. There are also quadruple points available for the ECF Grand Prix?!!

Spread the word amongst your club colleagues and put the date in your diary now!

## ECF National Schools Championship Results 2005/2006

The competition is complete. The eight semi-final qualifiers met at Uppingham School over 6th and 7th July 2006 to decide the Plate and Championship winners. It was a delightful venue, one not new to chess, having hosted the County Championship & National Club Finals in the past. The venue is also familiar to a number of other county players as a both a Leicestershire & Rutland county match location & halfway house for other county matches. Cyril Johnson, ECF Junior Director, attended. David Welch, as ever, was Arbiter. Nottingham HS A are Champions, retaining their title. Monmouth School take the Plate Championship.

## NATIONAL CLUB FINALS 2005/6

The national club finals were held on 9th July, with the Minor events at Syston and the Major and Open at Golden Lane Community Centre (courtesy of London Chess League and Brian Smith). The date clashed with the World Cup Final, life was made even more difficult for Maidstone by the fact that they had to field three teams on the same day. The Golden Lane half of the event was controlled by Scott Freeman, who has little to do.

In the Open, Wood Green fielded an impressive array of GMs and IMs and perhaps not surprisingly triumphed fairly easily. Wood Green have now won the Open twelve times, eclipsing even Cambridge University who have won it eleven times.

On paper the Major, was going to be a close contest. In fact Bedford ran out winners fairly easily.

In the Major Plate, Maidstone were forced by the afore-mentioned circumstances to field a weakened team and outgraded by a massive 66 points per board appeared to have no chance. When Michael Turner somehow contrived to win after a dubious piece sacrifice, Maidstone were suddenly 2-1 up. However, Milton Keynes allowed them no chances at all on the two remaining games and emerged victorious 3-2. Still the Maidstone team deserve every-praise for their determined effort to discredit the grading system.

In the Minor, Maidstone showed tactical player placement (their Minor team was stronger than the corresponding team in the Major Plate) and duly reaped the benefits with a narrow victory. Finally, in the Minor Plate there was again a close contest with Ashfield edging out Westcliff.

Entry Forms for next years' events may be found on the ECF website [www.englishchess.org.uk](http://www.englishchess.org.uk) Just follow the link on the home page. A new event has been introduced following feedback from clubs. The U100 section will provide more opportunity for lower graded players to compete. As with the U160 & U125 sections, the U100 title refers to the average grade of the team.

## County Championships 2005/6

The County Championships were again held at Radcliffe College on 1st July. The attractions of the TV showing the England match in the refreshment area proved too much for some and there were a number of short draws.

The Open Championship was an all-SCCU affair between perennial finalists Essex and Kent (Essex being the underdogs on grading). The match was closely contested all-day and it was only with the last game that Essex emerged triumphant 8½-7½.

The Minor Counties Championship saw Norfolk make a hat trick of wins by defeating Surrey also in a closely contested match. In the U175, Devon were the defending champions. They had the misfortune that two players didn't turn-up and were outgraded. Nevertheless, the scale of Sussex's victory (12½ to 3½.) was unexpected.

The U150s saw Yorkshire comfortably defeat Cambridgeshire 10-6. While the U125 saw another close finish with Bedfordshire edging out Warwickshire 8½-7½. Finally, the U100 also saw a close finish in which Kent narrowly edged out Norfolk 6½-5½.

The prizes were presented by Roy Heppinstall, the ECF CEO with assistance from Cyril Johnson and Chris Majer. Thanks were expressed to Julie Johnson who took over the running of the event at short notice, to Cyril and Julie Johnson who did the catering and to the controlling team, Messrs Shaw, Elwin Hewitt and Johnson.

As last year the individual school/club events filtered players through to Megafinals at various locations across the country. The top players from these events qualified for 2 Gigafinals, North & South. As Midlands based players competed in the Northern section, it is only those results that are shown above. The top 10 placed players in each section are shown. The section winners have qualified for the Grand Final or Terfinal as it is called next month. The runners up will compete in the Challengers event at the venue. The Source in Sheffield is the education centre of sponsors British Land. Parents, siblings & other relatives & other visitors will be able to play in a social tournament. Alternatively they can take the opportunity to engage in some retail therapy, as one of the largest shopping centres in the country, Meadowhall, is just across the road.

The Gigafinals saw several Midlands based players who qualified for the Terafinal & Challengers last year, making their way through again, and several players winning their age group section again. They included Ankush Khandelwal, Kishan Lakhani & Craig Whitfield, Michael Rabitte & Brandon Clarke & demonstrating that this success is not confined to the boys, Anjali Lakhani & Lateefa Messam-Sparks. There are also a number of instances of members of the same family qualifying. Anjali & Kishan Lakhani from Nottingham both won their age groups, as did twins Yangshi Yu and sister Yangshan. Whilst these players have the prospect of possibly playing each other, that risk will not arise with Henrick Stepanyan and sibling Asthik from Sutton Coldfield, Asthik could quite manage to emulate his brother's section win. The same is true of Samuel & Amy Milson of Louth. 3 members of the Rabitte family qualified for Sheffield, Michael for the Terafinal, Laim & Dominic for the Challengers, sadly for the family although Alexander also played in the Gigafinal he missed out on qualification.

The qualifiers will find themselves playing across the age range instead of in age groups and the girls will be aiming to demonstrate that they can compete on equal terms with the boys. Midland qualifiers will have a tough time in the Terafinal with ex-Midlander Li Wu the top ECF graded player in the event at 215 perhaps the favourite to win. Ankush Khandelwal is the highest rated Midlands player at number 5 with a grade of 187. William Bennett of Rutland will be looking to repeat past successes in the Challengers section. Craig Whitfield of Staffordshire will be aiming to secure the £1000 prize for the top U11 performer, with a grade of 129 the £2000 prize for the outright winner is likely to be out of his reach. He is likely to face tough opposition for the U11 title from Yan-Fan Zhou (157) & Saravanan Sathanandha (135) who came through from the Southern Gigafinal. The U9 prize is unlikely to find its way to the Midlands, with no MCCU based players in the top 6 on gradings. However, as the younger players will not necessarily be playing each other, the luck of the draw is likely to play a major part in the destination of these prizes.
