SUSAN ARKELL gained her first Woman Grandmaster norm when she finished 2nd to Pia Cramling (Elo 2400) in the Lloyds Bank Masters - Ladies Section.

Susan took the 1st graded prize in the Paignton Premier which was won by her husband Keith Arkell.

Susan has been selected for the BCF Dubai Olympiad team playing in November 1986.

BIRMINGHAM FAILED IN ITS BID for those 1992 Olympic Games but already efforts are made to revive the City "Open". Mutual Circle C.C with Lucas and Kynach will negotiate to establish a new "Birmingham Open & Closed Championship". You will be kept informed of

the progress to bring an "Elite" event to the Midlands.

BIRMINGHAM & DISTRICT LEAGUE has given serious consideration to the introduction of Blitz finishes into matches - but there is general opposition to the scheme. The major objection being potential disputes in the absence of a controller during inter-club matches.

A shortened time limit (40 moves - 80 minutes) is also being considered. Dave Rowe is sensibly conducting a poll of members on this controversial issue.
