Four Dwellings is an excellent venue. It now stages both this Warwickshire event and the B.C.D.L. Rapidplay Tournament. The staff there could not be more helpful and co-operative.

Refreshments were provided by Richard and Dawn from The Bread Shop, Halesowen to their usual high standard. Hot stew for a freezing weekend was particularly welcome.

Compiled by: Dave Rowe, John Pakenham and Dave Thomas

There was also a Team Event. 4 Players per club from any section. This was contested by: Checkmate;

## **16th Nottinghamshire Rapidplay, 20 February 2005**

The 16th Nottinghamshire Rapidplay was again held at Nottingham High School, which proved to be a popular venue with all competitors.

Due to an unfortunate clash with another event in the area, entries were considerably lower than last year, but the total entry of 90 competitors made for strong competition in all sections.

In the OPEN section (14 competitors) the absence of any competing GM's or IM's ensured a close contest throughout, and first place was eventually shared between 2 players who each scored 4.5/6 and won £85 each. Third place was a three-way tie on 4/6.

The MAJOR section, for players graded below 155 (18 competitors) was also a very hard-fought affair and, after suffering a setback in round 3, local player Janos Wagenbach of Mansfield came through to win with 5/6 and winning the £100 first prize. Dave Brown of Long Eaton was a clear second with 4.5/6 winning £70 and four players shared 3rd with 4/6.

The INTERMEDIATE section, for players graded below 120 (25 competitors) proved to be fiercely competitive and first place was eventually shared

between two players with 5/6, Simon Wells (Ashfield) and Robert Clegg (Huddersfield) who won £85.00 each.

David Turner of Bottesford took third place on his own with 4.5/6, winning £50.

The MINOR section, for players graded below 90 (33 competitors) saw Richard Leaper of Birmingham University win a fluctuating contest with 5.5/6 to scoop the £100 first prize. Keith Burrett (Bottesford) and Jonathan Day (W Notts) shared second with 5/6 and each won £60.

The TEAM competition was shared by Ashfield and Sheffield Nomads (both 12/18) winning £8.00 each. A special prize went to the Chickens team as they all tried hard in what was their first competition.

The tournament again ran smoothly and to time, for which huge thanks are due to the team of controllers and assistants. Thanks also to the team of helpers on the refreshments stall, the school caretaker for his invaluable assistance and to the school itself for the use of its facilities.

It is hoped that the event will take place on next year at the same venue, though the date may need to be reviewed to avoid the clash which occurred this year. Finally, I hope to see as many of these competitors as

possible at the 30th Nottingham Congress from Friday 13 - Sunday 15 May this year at its magnificent venue, Nottingham Forest F C (Pitchside Diner)

Quarter Finals	May 21 2005
Semi-Finals	June 11 2005
Finals	July 2 2005

The finals will be held at Ratcliffe College, a venue used a few years ago.

For those who already know the Syston venue used for Leicester county matches, Ratcliffe College is a little further north just off the A46. The Sports Hall provides ample space for all of the matches and more, so there will be plenty of room to move. The college will also be providing refreshments - these were excellent on the previous visit. There are now additional toilet facilities within the Sport Hall, the shortage of which was an issue last time round.
