

ECF, JUNIOR & LOCAL EVENTS SUPPLEMENT

Again there are rather more local & national events to report on. Thank you to those organizers who sent me their results. Please keep news of your tournaments coming in. If I don't get details and you don't respond to requests to provide them, you have no room to complain when they don't appear.

If you holding a future event that is not on the EFC calendar please send me details and I will include them in the "Forthcoming Events" section, which has now been moved into the Events Supplement, where on reflection I think it best fits.

33rd English Deaf Chess Association Congress & National Championship, Birmingham, 29-30 October 2005

The winner of the Premier Section and 2005 EDCA Champion with an unbeaten score of 4.5/5 was Christopher Kreuzer of Twickenham. It was his first EDCA title.

2nd place was very close with 2 players on 3.5 points but after applying the tie-break system, Phillip Gardner was given 2nd place with Robert Burnett 3rd.

Lewis Martin, 14, narrowly repeated his feat from last year when Alasdair pipped him into 4th place.

The key moment in the Premier was the 4th round where Chris Kreuzer defeated the 7 times EDCA Champion Phillip Gardner. In the earlier rounds Chris beat two of his main rivals: Lewis Martin and Alasdair MacLeod.

In the Major tournament, Mick Simmons of Sheffield finally ended more than 30 years of hurt when he won with a round to spare after winning his first 4 games. Rod Owen made a solid comeback to deaf chess in coming second.

Many thanks goes to our tournament controller Ilan Dwek (Cricklewood) for giving up his place in the Premier in order to allow the tournament to be run smoothly.

The EDCA are indebted to Birmingham Deaf Sport and Social Club for letting us have the use of their premises for the whole weekend.

HEBDEN POWERS TO RAPIDPLAY GLORY

Leicester Grandmaster Mark Hebden powered his way to his fourth British Rapidplay Championship with an impressive 9.5/11. British Chess Federation Grand Prix 2004/5 Final Leader Boards

There has been a huge increase in the workload this year in determining Grand Prix scores. 2004 was, of course, a part year but even so the amount of players scoring points rose substantially. The table below gives the number of players with qualifying scores together with those who reached a maximum. The number of players with qualifying scores this year ran to 1,516 – a 41% increase on 2004 with the Junior Prix showing a huge increase in players. Increasing the points threshold however meant that the number of players reaching maximum points remained static at 24.

I have no idea if the Federation will be able to continue with the Grand Prix though a further extension year has been granted and this years events will continue until the Smith & Williamson British Championships in Swansea. Simply put if every player who appeared on the spreadsheets of qualifying players donated £4.00 there would be enough to keep the Grand Prix going in its current form with the same amount of prize money. If just one of those players could find a sponsor for the comparatively small amount that is needed for this event, the future of the Grand Prix would be assured

AMPLEFORTH JUNIOR MASTERS

In the magnificent setting of the Main Hall at Ampleforth College the final move of the blitz playoff was made, to decide the Ampleforth Champion. Thomas Pym overcame Peter Poobalasingam in a wonderful, nerve-jangling emotionally charged atmosphere. Thomas emerged the victor and took the title for the second time in three years.

This tournament, with 21 current British Junior Champions competing, must rank as the most prestigious junior tournament ever in Britain. It also marks the birth of the English Chess Federation.
