

ECF, JUNIOR & LOCAL EVENTS SUPPLEMENT

The County Championship Quarter-finals have taken place, the UK Chess Challenge Megafinal stages were played during May, the ECF Schools Tournament finalists have been decided, with the finals due to take place at Uppingham School. This supplement covers all of these, plus the usual assortment of local congresses.

Unfortunately the MCCU Junior Championships had to be cancelled due to premises difficulties.

First Shirley & Wythall Rapidplay

Report:

The First Shirley & Wythall Rapidplay held on Sunday 7th May was a resounding success. Over 120 people entered, some from as far away as Huddersfield, Bristol, Kent, London, Bolton and Peterborough. Due to some late withdrawals, the final number of actual participants was 115.

By section:

Challengers: 12
Major: 25
Intermediate: 35
Minor: 43

Because of the number of entries we were able to add 2 x Grading prizes to the best-subscribed sections, the Intermediate and Minor.

National Club Handicap Rapidplay, 23 April 2006

This year's competition was held once again at Magdalen College School, Oxford on Sunday 23th April and was sponsored by Clever Cloks Products. 12 teams of 4 entered, so fortunately the need for a bye was avoided. There were 5 rounds, with each player having 20 minutes to complete the game. The teams were paired according to scores. At the end of the event placings were determined taking account of handicaps based on average grades using the system devised by Cyril Johnson.

Final places, showing handicap adjustments:

Place (prize)	Team	Grade	Score & Handicap	Overall score
1st (£200)	Cowley 1	149.75	15½ - 1	14½
2nd (£120)	Clevedon	138	11½ + 1	12½
3rd (£60)	Magdalen College School	109.5	8 + 4	12
4th =	Cowley 2	137	10 + 1	11
4th =	Milton Keynes & OU 1	156.5	12 - 1	11
6th	St Albans	159.5	11½ - 1	10½
7th	Milton Keynes & OU 2	125.75	8½ + 1	9½
8th =	Crowthorne	102.25	5 + 4	9
8th =	Syston	105.5	5 + 4	9
10th =	Oxford City	163.75	12½ - 4	8½
10th =	Wanstead	145	9½ - 1	8½
12th	Emsworth	165.25	11 - 4	7

Cowley 1 (ranked 5th) needed no help from the handicap system! They beat Syston 4 - 0 in round 1 and Wanstead 3½ - ½ in the second. Then they relaxed merely beating the higher graded Milton Keynes team 2½ - 1½ before dispatching Clevedon 3½ - ½. Three points ahead at the start of the last round, they held off a challenge from the highly graded Oxford City team drawing 2 - 2. Congratulations to the Cowley 1 team for a remarkable achievement. Mike Flatt controlled, Tim

Thurstan was the arbiter and Goeff Kendall took the entries. An enjoyable day was had by all and I hope to run the event again next year at the same venue.

National Quarter-Final: Nottinghamshire U150 – Sussex U150

Ian Kingston

Neil Graham signed off his last report with the hope that the team hadn't used up all its luck in the Midlands stages. I'm pleased to say that there was something still left in the tank, but as always seems to happen it was a close-run thing.

On paper there was practically nothing between the teams on the top eight boards, while on the bottom eight Notts had an advantage of over 10 grading points per player. But in truly perverse fashion, the top half yielded most of the points, while the bottom half struggled. As the afternoon wore on, the early lead established by Notts looked more and more fragile and thoughts began to turn to the possibility of resorting to board count to separate the teams. Notts reached 7½ points when Tony Wright demonstrated sound technique to win a nice bishop endgame and Steve Hunter successfully withstood some unpleasant pressure to secure a draw. That left Phil Morgan and David Toms to find half a point between them, as it was now becoming clear that the board count would be in our favour.

Phil had the exchange for a couple of pawns, and under normal circumstances a win was certainly possible. Unfortunately, he was desperately short of time, and his flag fell while he was definitely not worse. Meanwhile, David had fought back from being a piece for two pawns down, constructing an apparently impenetrable fortress. Somehow this transformed itself into an unclear queen and pawn endgame, but the Sussex player manoeuvred cleverly to set up a queen exchange that gained a crucial tempo in the ensuing pawn race.

And that was when our small reservoir of luck yielded its last drop of good fortune: in a straightforward endgame with no fewer than three winning plans from which to choose, David's opponent opted for a fourth option that led to a simple K + h-pawn vs. K draw. Much relief all round, and fitting reward for the captain's Herculean efforts in finding players.

National Quarter-Final: Essex U100 – Nottinghamshire U100

Michael Barnes

Firstly thank you to all who played for both the U125 and U100 teams, often at short notice.

The clash with the U125 match meant that eight players under 100 were not available. Also, the time of year meant that several people were on holiday or playing cricket. So a much weakened team were playing against a team with a lowest grade of 87. We were outgraded by an average of 16 points a board.

All players fought right to the end and made it as difficult as possible for their opponents, which is great for the whole team. First to finish was Andrew Garside, who won well against a 92 grade who several times told me he couldn't believe how good he is. Ashton only lost to a one move blunder after being about equal after 25 moves. Ken on bottom board played steadily and got what turned out to be a crucial half point. Graham Gibson played one of the best five games of his life to destroy his opponent. Clifford won after being a piece down.

When the dust settled we needed one point from the last two games. Edwin Justice defended really well in a difficult position for about two hours when his phone rang after it had switched itself on in his pocket, resulting in an automatic default. Really unfortunate. Jonathan Day was a pawn up in a rook ending, but with split pawns. He lost one but outplayed his opponent in superb fashion to win.

So the semi-final is on Sunday 11 June vs. Norfolk (probably) at 1 p.m. at Peterborough (to avoid the England World Cup match on Saturday). This will be the same venue as the U150 match vs. Cambridgeshire.

I now face the problem of who to leave out, as many regular players who played for the U125 team are now available. I thank *all* who played and apologise if anyone is offended.

National U125 preliminary round: Nottinghamshire U125 A – Sussex U125

Derek Cronshaw

Without eight of the players who taken the team to the Midlands final, Notts A were seriously handicapped in their match against Sussex, on 29 April. The win on board count therefore, against stronger opposition, was a real achievement for all the players involved. Games were evenly contested throughout, but of particular importance were the late draws from Ken Heath and Darran Ince, and a fine win in a complex game by Rob Willoughby. Well done everybody!

National Quarter-Final: Nottinghamshire U125 – Bedfordshire U125

Derek Cronshaw

Neil Graham and Mike Barnes worked wonders to produce 3 teams for Saturday 20 May. It seemed that everyone who could push a pawn was pressed into service, from baby-faced assassins to grizzled veterans. In the U125 match, Henry Pynegar and Michael Zhang, who don't yet play regular league chess, got us off to a flying start and for a time it looked as though we might pull off the impossible. However the odds proved too great and we eventually lost, 9–7.

Ah, well; it will have to be the World Cup...

U100 QUARTER-FINAL Kent 8 Shropshire 4 13/05/06

We played our quarter-final match against Kent in the all England stage of this years competition on Sat.13th May 2006. The match took place in Bicester in Oxfordshire and many thanks to Bicester chess club for providing the venue and also some refreshments. I was really looking forward to this match, a chance to test ourselves against a team from a strong playing chess part of the country.I felt pretty confident that if we could get our full team out we could match, if not beat them. After all, we are the champions of the whole of the

Midlands.

Things got off to a very bad start when one of our players failed to materialise, so we had to de-fault that board,and I also allowed their player who was going to miss a game to drop down 2 places and play our board 12, at the request of the Kent captain.Something I shouldn't have perhaps done in retrospect.

I leun Fenton from Oswestry club played a very good game to equal things up. Confidence restored, Dele Ogundipe from Wellington club then had a fine win on board 4 to put us into the the lead. Confidence rising. My confidence rose even further after a quick recce of the situation to find everyone holding their own and even being material up in some games.My own game was going very well,even though I was a pawn down I had by far the better position.We then had a draw followed by a loss. I then did my usual thing of snatching defeat from the jaws of victory by missing a simple knight-fork which would have won the exchange and also a bishop,many apologies for being so stupid. A classic case of moving a piece because that is what you had planned no matter what he did.All those hours of preparation gone in an instant!! Kent then went into a 6-3 lead so the last 3 boards all had to win.Our board 1, Roger Brown, was having a very tough time of it and finally succumbed late in the day to secure victory for Kent.The 2 remaining boards quickly agreed draws to give Kent a 8-4 win. So congratulations to them.

So, wins came from leun Fenton and Dele Ogundipe. draws came from Andy Tunks, Chris Lewis,Keith Grice,Sellick Davies.

losses came from Roger Brown,Ian Davies,Derrick Powell, Alan Pickles,Henry Graham and one board de-faulted.

In conclusion, I think it is fair to say that we have exceeded all our expectations by reaching this stage, and on another day could have gone even further, so well done to all of us, Many thanks to Roger Brown for seeing to our home venue again, also to Keith Tabner for putting everything onto the website and to everyone for giving up their time to play for their county. Who knows what next season will bring,but I think we will lose our top 4, who will go above 100, and perhaps a couple more as well. If my own grade should reach those dizzy hieghts and no one else wants to take over as captain then I would volunteer as a non-playing captain,but we'll wait and see.

KEEP PRACTISING. - IAN DAVIES.
