## 1st Bromsgrove Chess Festival, 24-27 August 2006 Including ECF Young Masters and Bromsgrove One Day Congress

New venue, new county, new problems, but still the same enjoyment.

The event became part of the Bromsgrove School Festival of Chess, with a well attended one day congress. The accommodation was excellent, with well appointed kitchen and well-equipped games room which was patronised until closing time. Routh Hall, the actual playing hall was a majestic sound proofed Victorian structure in close proximity to the dining room, very useful!

### The Chess.

The event was a 24 player FIDE rated tournament for the first time, and was won by Ankush Khandelwal of Nottingham with a perfect score from 6 games. (see photo left of him receiving his trophy from Paul Bird Bromsgrove School Enterprise Manger, with Cyril Johnson ECF Junior Chess Director looking on) Murray David and Dominic Foord came equal second with 4 points. The ladies prize was won by Sheila Dines with 3½ points who fought off a challenge from Anjali Lakhani only making certain in the last round of her trophy and prize.

The One Day congress was accommodated in the Maths building of the school, and was well controlled by Sean Hewitt.

The last morning saw much hilarity with late commemorations of wedding anniversaries and presentations to a worthy controller.

An innovation was the giving of CDs to all the players with the game scores from the event, a permanent record of the event.

Grateful thanks are due to David Welch for his calm controlling, especially of riotous blitz tournaments, Bromsgrove School for providing excellent accommodation, location and food and the Championship Trophy which was presented by Phil Bird, the enterprises manager of the school. We look forward to going back next year.

## EUROPEAN YOUTH CHESS CHAMPIONSHIPS

Herceg Novi, Montenegro September 2006

Rather more young chess players than normal competed in the European Championships. It seemed that the World Youth Championships were doomed when not only the original hosts pulled out, but those who had agreed to replace them. As a result the ECF decided that rather than disappoint some youngsters the intended candidates for the 2 events would all go to the Europeans. Although Georgia (ex USSR rather than USA) came in at the 11<sup>th</sup> hour to run the World event, it would have been an expensive location for travel & is not exactly the quietest place to send youngsters to.

## **Junior Squad Team Triumphs in Poland**

The Junior Squad sent two teams to the international Under 16 tournament at Jastrzebie Zdroj in Southern Poland. There were 32 teams from at least 11 different countries at the event and, for the purposes of the event our teams were christened Liverpool and London. The former were represented by Dan Hall, Vedantha Kumar, Robbie Coats and Selina Khoo whilst "London" was represented by Sebastian Pozzo, Xi Yang Guo, Edward Basham and Amisha Parmar. The tournament is very well organized and also funded by a European grant. As well as the chess there is a good social and sporting programme with visits to local mountains and spas as well as Table Tennis, Volleyball and 4-a-side soccer competitions. The teams were also invited in to a local organisers home for a typical Polish meal. The teams had also, independently, spent a night in Krakow to see what is one of the most beautiful cities in Europe.

In the chess, Liverpool started like a rocket and won their first five matches. The third day of the event saw the final four matches. The first, against St Petersburg, was drawn; Tallinn were dispatched 4-0 and the penultimate match against Rowne was also drawn. At this point nerves crept in and the match against Chrzanow (who were fighting for third place) was our only defeat. However 1.5 points was enough to ensure that we won the event even if it did mean the third tie break system (top board's result) to split us from Frydek Mistek (Czech). London had suffered from a computer!! The event awarded three points for a win and one for a draw. The computer awarded 2 for a win and, as London drew 6 games they suffered some horrendous upfloats. Thank goodness we still have arbiters who can arbit!! Despite this London only lost to Orlova and ended up in the prize list. Fortunately for "Liverpool" our hosts had checked if Easyjet would take four

mountain bikes – they would and these were proudly returned to England. Vedantha Kumar, on board two, went through the tournament undefeated to be the 4th highest scoring player with 8\9.

One other success needs to be mentioned, Liverpool won the soccer (although a soccer headline “Liverpool triumph in Europe” is quite commonplace). Selina (who has won many chess medals) was really proud to have won a soccer medal! She played in goal and only conceded one in the competition – Reina needs to watch out!

Our thanks go to our hosts for their excellent organisation, Victor Cross and Nancy Mortimer for their encouragement and guidance and the players for their commitment and friendliness.  
Peter Purland

### **I.C.S.C. World Deaf Team Chess Championship, Hungary, 8-17 September 2006**

The England team finished a very creditable 7th, above their 10th seeding. The team got off to a bright start after a 1st round 2.5 - 1.5 victory against the 2nd seeds, Ukraine, thanks to Chris Kreuzer's miniature against an 2291 ELO-rated opponent. For many rounds the England team were in contention for a medal but came up against the strongest opposition in Russia and Germany and suffered their heaviest defeats. The team finished the competition on a bright note by holding the 5th seeds Poland to a 2 - 2 draw and preventing them from gaining the bronze medals.

Russia won their 4th successive World Championship gold closely followed by Germany with the silver and Hungary bronze.

## 2006 Glorney & Faber Cups, Swansea

The 2006 edition of the Glorney and Faber Cups saw England complete a hat-trick of wins in both events. The English Glorney players outclassed the Irish and Welsh teams in a double-round all-play-all. Scotland did not take part this year, but Wales B (composed of local players) made up the numbers. The Faber was a lot closer, until a 3-0 victory against Ireland in round 4 propelled the English girls well ahead of the rest.

As ever, Welsh hospitality was equal to the occasion and the event acted as the curtain-raiser for the British Championships at University College, Swansea. There were no untoward incidents.

## **English Chess Federation Grand Prix 2005/6**

Despite strong late showings from both Mark Hebden and Danny Gormally, Andrew Greet could not be overhauled in the *Grand Prix*. In the *Female Prix* both Selina Khoo and Dinah Norman reached maximum points but it was Ketevan Arakhamia-Grant whose outstanding performance in the Smith and Williamson British Championships enabled her to finish a clear first. In the *Junior Prix*, a host of players reached the maximum score mark following the Junior events in the Smith and Williamson British Championships – however Ankush Khandelwal increased his total with an outstanding first place in the Young Masters Tournament and thus maintained his lead over his rivals. In the *Disabled Prix*, Jack Rudd overhauled Dean Hartley at the top by increasing his % score at the South Wales International. As suggested previously although the minor places changed there were no late challenges to the winners of any of the *Graded Prix* sections. Finally to the *Senior Prix* where both Harry Lamb and Ray Gamble reached the maximum courtesy of fine results at Chester but they were still well behind runaway winner Richard Desmedt.
