

ECF, JUNIOR & LOCAL EVENTS SUPPLEMENT

MCCU U175 JAMBOREE

Sadly the event scheduled for 20th January did not take place. 3 teams had entered but 2 pulled out only 3 days before the event. This was most disappointing, as a number of people had gone to a good deal of time and effort to find a suitable venue. Thanks to the kindness of Blackford's Progressive Working Mans' Club in Cannock in refunding the hire fee in full. As a result the 1 remaining team Manchester will receive the MCCU nomination for the ECF stages.

BIG BROTHER COMES TO HASTINGS!

The 82nd Hastings International Chess Congress ended on Sunday 7th January. Over 450 entries from 21 countries took part in the annual event at Horntye Park Sports Complex.

The Trustees of Horntye Park Sports Complex awarded a Brilliancy prize of £100 plus a trophy which was won by Simon Williams (ENG) for two of his games during the event. English player Chris Briscoe achieved an international master norm which will count towards his international title and also won a prize for best performance against rating awarded by Alan Hustwayte.

On Thursday 4th January the Hastings University Centre held an Open Day and evening reception for chess players to enable them to see the National Chess Library which is now housed at UCH. This proved extremely popular and it is expected to attract visitors from this country and overseas throughout the year. The organisers of Hastings Chess Congress express their thanks to UCH for this added attraction to their event which was much appreciated by all concerned.

On the same day the Congress was visited by Big Brother's Big Mouth who filmed during the afternoon, canvassing opinions among chess players about the Big Brother show - certainly a million miles away from the serious nature of the event but the resulting short slot in the BBBM programme was entertaining.

If you are running an event in the Midlands that isn't on the ECF calendar please let me have details so that I can include it in the listings, it's free advertising & might just get you a few more entries. I haven't time to trawl all the Midlands websites looking for details of events, so if it isn't on the ECF calendar and you don't tell me about it, it won't get listed. All I ask is that you let me have the results.

Bury Chess Congress

Record numbers at Bury Rapidplay

The Twelfth annual Rapidplay Congress organised by **Bury Chess Club** took place on Sunday 10 December 2006 at the sumptuous surroundings of the Elizabethan Suite, Bury Town Hall.

A record entry was received and 119 played on the day, including 2 Polish players, a Dutch family (father and two sons), and twins from Leyland, one Grandmaster and a couple of International Masters.

MICHAEL WOOD HOMES were again *main sponsors* of the Bury Rapidplay Chess Congress. Returning sponsors were **METCALFE & CO** Accountants of Bury and Insurance Company **WINTERTHUR LIFE**.

This was a full day congress over six rounds, split into three sections – *Open, Major and Minor*. A hundred players contested total prize money of £750. Players each had 30 minutes to complete each game.

This was an ECF Grand Prix event.

The Bury & Rochdale League Team Competition

This was a new event, open to clubs playing in the Bury & Rochdale League. Clubs had to submit a team list of 5 players, with the best 4 scores to count.

Winners of an engraved clock were 3Cs Oldham, second were Bury A and third were Bury B. Rochdale were 4th.

The M W Homes Open

This featured 27 players. There was a Merseyside double at the top, with joint winners Formby's International Master Stewart Haslinger and Southport's Grandmaster Nigel Davies (both play for 3Cs Oldham in the 4NCL) each earning £80 with a score of 5/6.

Nigel finished strongly after a shock defeat by David Shaw (Urmston) in the second round. This surprise early setback, together with the vagaries of the Swiss pairing system, meant that the two winners failed to meet.

Stewart drew with Jeff Horner (Bolton) and Alan Walton (3Cs Oldham).

Jeff joined Adam Ashton (3Cs Oldham) in third with 4.5 points. Grading prizes were won by Roger Williamson (Aigburth) and Marcial Flores (Eccles).

The Major

This featured 27 players. Joint winners with a score of 5/6 were Philip Armstrong (Oldham) and Paul Evans (AXA Lytham).

Ghassan El Gehani (Peoples) came third with 4.5 points. Grading prizes were won by Robert Clegg (Huddersfield) and Geoff Laurence (Macclesfield).

The Minor had an amazing 63 players. It was won jointly by Nick Rigby (a junior from Wakefield), and Bury's Sheraz Khalil with the days best score of 5.5/6.

John Sutcliffe (Chester) and Philip Titterington (Clitheroe) tied for third with 5 points. Grading prizes were won by Brian Slater (Radcliffe) and Kiruthika Rajeswaran (another junior from Wakefield).

The Bury Players

Sheraz Khalil won the *Lodwig Gruchlik Memorial Trophy*, which is awarded annually for the best score from a Bury Chess Club member, with a score of 5.5/6 as joint winner of the Minor.

Also in the Minor, Brian Forrest had a poor start but finished strongly with 4 points. Lee Baron scored a creditable 3 and Roger Nuttall an excellent 3.5.

In the Major, Roger Howley, Jim Litherland and Keith Evans scored 3, Martin Bryant scored 2.5, Paul Mole and Robin Yeung scored 1.

Bolton's Rod Middleton and Julian Clissold smoothly controlled the Congress, as always and there were no significant disputes. Many Bury club members helped to organize and run the event. Andrew Butterworth of Chess Direct provided the Bookstall.

How Points Scoring Works

The same calculation applies to the Junior Prix and the 4 Graded Prix.

(a) Scoring points and bonuses

(i) Grand Prix points will be scored by any player who plays at least 4 games in an event.

(ii) His score is his percentage, with any fractions of a percent ignored, plus the number of games played in that event (up to a maximum of 11).

(iii) In a rapidplay event, the score is calculated as above, then halved, and truncated, if necessary, to produce a whole number.

(b) Calculating points

Grand Prix points will be calculated on players' best performances in

- 7 Standard Play events, or
- 6 Standard Play events + 2 Rapidplay events, or
- 5 Standard Play events + 4 Rapidplay events.

ECF NATIONAL CLUB

Sadly there are no MCCU based teams in either the Open or Major Sections. Representation in the Minor is somewhat more encouraging. Midlands teams had mixed fortunes in the first round. Surprisingly the away team won most of the games.

This year sees a new event the U100

With 9 entries there was a single preliminary game and then straight into the quarterfinals, which have 2 Midlands entries.

HOME TEAM		AWAY TEAM
SNODLAND	v	RAINHAM
BUCKLEYMOLD	v	LEEDS JUNIORS
BUSHBURY	v	CHIPPING CAMDEN
FOREST OF DEAN	v	MAGDALEN COLLEGE SCHOOL

With a different controller for each event the Bushbury v Chipping Campden draw in both sections was sheer fluke, although the 2 teams playing each other was something of a natural choice geographically.

8th European Individual Chess Championships

Teams have been announced for the championships which are to be held in Dresden from 2nd to 16th April 2007 thanks to support from the English Chess Federation. The ten player squad will be competing as 'Team England' and includes 16 year-old prodigy David Howell who became the UK's youngest ever Grandmaster at the turn of the year. England's other outstanding young prospects Gawain Jones and Stephen Gordon will hope to secure the Grandmaster title at this top class event which is a stepping stone towards the next stage of the World Chess Championship organised by the game's governing body, FIDE. The team will be further strengthened by ex-World Junior champion Nick Pert while England's number 2 woman player, Jovanka Houska, will take part in the Women's Championship.

The full list of players in Team England is:

- Stephen Gordon (International Master)
- Jovanka Houska (International Woman Grandmaster)

- Gawain Jones (International Master)
- Nick Pert (International Grandmaster)

With a growing number of Midlands based teams now part of the 4NCL here are the current tables for the divisions. You may not be familiar with some of the names, other you will easily recognise as Midlands. The nature of team structure means that some Midlands teams have "non-Midlanders" playing in them, whilst other Midlands based players are part of teams based outside the area.

3C's Oldham are battling to avoid finishing in the relegation places in Division 1 & Warwickshire Select have yet to post a point in Division 2. Things look brighter in Division 3 with Cheddleton-Pointon in running for promotion, but with 3 teams only a couple of point behind them, they will have to watch their backs. Nottinghamshire 1 have a 100% record in Division 4, but with only 2 weekends played there is a way to go. Nottinghamshire 2, Pandora Box, Sutton Coldfield & Hilsmark Coventry are all on 5 point, with Leicester a point behind & Halesowen on 3. The Warkshire Select 2 team have withdrawn.
